1. What is CSE Certified Sustainable Eyewear® AWARD

CSE Certified Sustainable Eyewear® AWARD is an award that IES International Eyewear Solutions s.r.l. intends to give to the MIDO 2025 exhibitors who have incorporated sustainability into their business strategies and demonstrated their commitment by producing a sustainable product.

2. Deadline for applications

The deadline for applications is **13 December 2024**.

From the 1st of October 2024, all the exhibitors at MIDO 2025 will be able to submit their applications **by accessing their reserved B2B area** (<https://b2b.mido.it>) where there will be a dedicated link to the portal www.mido.com.

3. Product types and prize categories

The exhibitors may submit **three types of products**:

- **sunglasses**
- **frames**
- **cases.**

Proposed products must be already realised, ideas of products or prototypes are not allowed.

There are two prize **categories** for each type:

- 1.a) CSE® Award Sunglasses Europe
- 1.b) CSE® Award Sunglasses Rest of the World
- 2.a) CSE® Award Frames Europe
- 2.b) CSE® Award Frames Rest of the World
- 3.a) CSE® Award Cases Europe
- 3.b) CSE® Award Cases Rest of the World

4. Who can participate

All MIDO 2025 exhibitors may apply for the award by nominating **a maximum of one product in each of the categories** (as defined in point 3 of these General Rules and Regulations).

5. How to participate

To nominate your product, you must enter and fill in all the required information for each candidate product no **later than 13 December 2024**.

In order to participate, it is necessary to access the reserved B2B area (<http://www.b2b.mido.it>), as indicated in point 2 of these General Rules and Regulations. **For any information, please refer to cseaward@mido.it.**

6. How the most sustainable products are selected and rewarded

The candidate products will be submitted to a Jury of experts who will firstly assess compliance with the requirements and sustainability criteria set out in these General Rules and Regulations (points 4 and 12). Subsequently, the Jury will make a merit selection that will identify a winner for each of the categories defined in point 3. The Jury's unquestionable judgement will also take into account further qualifying elements such as the degree of innovation, originality and the ability to convey a positive message to the public on the importance of sustainable choices.

7. Prize-giving

The winners will be honoured during **MIDO 2025**; the exact day and place will be announced.

In order to ensure their presence, winners will be contacted in advance via the contact details given when they signed up for the initiative.

8. General Information

Participation, which is restricted to the companies, is free of charge and does not entail any constraints or commitments of any kind other than the conditions set out in these General Rules.

By submitting their application and accompanying documents, participants undertake to declare that the information provided is true and that any decision of the evaluation Jury will be unconditionally accepted.

All the submitted documents must be **in English or accompanied by an English translation**.
